WHO ARE WE?

JA Delmas, Caterpillar dealer since 1932, is present in 11 countries in West Africa: Benin, Burkina Faso, Ivory Coast, Gambia, Guinea, Guinea Bissau, Mauritania, Mali, Niger, Senegal and Togo.

Our long experience in Africa allows us to committed you with a comprehensive service offering in the mining, construction, forestry, energy and industrial domains.

Committed to service, JA Delmas developed its Rental business throughout its network.

Our dedicated teams will provide you with solutions for your one-off needs as well as your long-term projects.

WHY RENT?

Grow your business:

By reducing your investments, you can use your capital to develop your activities and optimize your borrowing power.

We assist you in fulfilling the needs of several markets at the same time. It is up to you to diversify and respond to temporary peaks in activity.

Control your expenses:

Our hourly costs are all-inclusive, all you have to do is fill up with fuel! Renting frees you from the cost of repairs and unscheduled maintenance, so that you are in complete control of your operating costs.

Complete your projects on time:

Our fleet consists of recent and reliable equipment, maintained in strict accordance with Caterpillar standards.

You are therefore guaranteed the use of reliable machines, at 100% of their capacity, driven by experienced operators.

**«Renting helps you
focus on
your core business»**

OUR OFFER

With the range of CAT equipment, including over 300 machines, we are the leading provider in the building, construction, industry and mining sectors. Our offering includes:

Loaders

Compactors

Bulldozers

Dumpers

Motorgraders

Excavators

As well as...

Forklifts

Compressors

Gensets

Tower lights

And much more...
